RULES AND PROCEDURES

You are representing your school and Frisco Independent School District.
ACT ACCORDINGLY!

You are the best of the best students at LHS and I do not expect any behaviors from you that would change my opinion. But necessity dictates that rules be spelled out so there are no misunderstandings.

1. **No one leaves the hotel.**
We will have a system in place to assure that room curfew is enforced. After room curfew, do not open your door for anything except a real emergency.
2. **No one travels alone.**
At the parks and events you will be assigned to a group and a chaperone. Do not wander off alone at any time.
3. **We will adhere to FISD polices.**
Any clothing that is inappropriate will not be permitted. No tank tops or halter tops, jeans with holes, shorts that are too short or bikinis at the pool.
4. **Bring cell phones.**
You do not have to have one. We will need cell phones (and chargers) in each group.
5. **No drugs permitted.** Alcohol, cigarettes and lighters, illegal drugs of any kind (including prescription drugs), knives, and weapons will be dealt with through the local Police Department and an immediate plane flight home at your parent's expense, if the police do not take you to jail first.
6. **Prescription Drugs** will be given to Mr. Hohmann on arrival and dispensed according to directions.
7. **ILLNESS.** If a student becomes ill, their parents will be called immediately and appropriate steps taken according to their parents instructions.
8. **Hotel.**
No screaming or speaking loudly in hallways.
Be courteous and polite to other guests.

Do not bang on the floor, walls, or ceilings.

Do not drink water bottles, soft drinks, etc. placed in your room by the hotel. **They will be charged to us and are very expensive.**

Do not use hotel phones to call outside of the hotel.

No boys in girls rooms or girls in boys rooms. We will have ample time for socializing outside of the rooms.

9. **Do not be late for check in times.**

10. **Obey your chaperone.**
